CAUSE NO. 20-1-04545-1 KNT

PROSECUTING ATTORNEY CASE SUMMARY AND REQUEST FOR BAIL AND/OR  
CONDITIONS OF RELEASE

The State incorporates by reference the Certification for Determination of Probable Cause prepared by Detective Jason Renggli of the Renton Police Department for case number 20-9004.

The State requests bail set in the amount of \$250,000.00. The Defendant, after firing one of his pistols into the air, fired his other pistol twice at a man in a very crowded parking lot. There were numerous pedestrians in the area and people in their cars. The Defendant missed striking his intended target and instead shot fifteen-year-old E.R. in the shoulder. E.R. had nothing whatever to do with the Defendant or his target. E.R. was unarmed. E.R. was simply sitting in the backseat of his friend's car and randomly in the path of the Defendant's bullet. Fortunately, the Defendant did not kill E.R. E.R.'s good fortune in no way lessens the dangerousness of the Defendant's conduct.

According a complaint filed by the US Government in Case CR20-149 RAJ, the Defendant stole a police-issued rifle with a suppressor from a Seattle Police vehicle on May 30, 2020. He is pending federal charges for being in possession of said stolen firearm. According to that same complaint, investigators executed a search warrant and located numerous firearms in the Defendant's residence on July 20, 2020. Because the Defendant was not prohibited from possessing those firearms at that time, they were left in place. Were the Defendant released, he would have access to said firearms.

The Defendant has demonstrated he is a danger to the public and has no regard for the safety of others. Bail in this amount is necessary to protect the public from his perilous use of

1 CAUSE NO: \_\_\_\_\_

2 **CERTIFICATION FOR THE DETERMINATION OF PROBABLE CAUSE**

3  
4 That **Jason Renggli** is a Detective with the Renton Police  
5 Department and has reviewed the investigation conducted in  
6 Renton Police Department Case Number **20-9004**;

7  
8 There is probable Cause to believe Jacob Dean Little 12/09/95  
9 that committed the crime(s) of Assault 2<sup>nd</sup> Degree RCW 9A.36.021.  
10 This belief is predicated on the following facts and  
11 circumstances:

12 On **08/30/20** at about **0159 hours** Renton Police Officers  
13 were dispatched to investigate a shooting that occurred at 501  
14 S Grady Way within the city limits of Renton, county of King.  
15 Based on responding Officer's reports and my own investigation  
16 I learned the following:

17 **There was a gathering of 200 plus car enthusiasts in the**  
18 **parking lot of Uwajimaya. During the gathering, multiple fights**  
19 **broke out involving numerous people. Witnesses reported seeing**  
20 **multiple people shooting in the air and then at least one**  
21 **suspect shooting at a group of people. Witnesses on scene said**  
22 **the suspects were a black male and a white male that fled the**  
23 **scene in a silver Jeep Cherokee. Witnesses flagged down officers**  
24 **and provided a video showing a suspect leaning out of the**  
25 **passenger window of a white or silver 2000 Jeep Grand Cherokee**  
26 **firing several rounds from a rifle as it fled the scene.**

27 **At 0216 hours Valley Medical Center called to advise that**  
28 **there were three gunshot victims at the hospital that were**  
29 **possibly related to the shooting. Officers responded to the**  
30 **hospital and contacted E.R. (DOB XXXX05), who sustained a**

1 gunshot wound to his right shoulder. E.R. said that he was in  
2 the parking lot for the car meets with his friends. He was in  
3 the back seat of his friend's (W.P.K) gray BMW when they were  
4 trying to leave. He was not sure where they were in the parking  
5 lot when he was shot in the shoulder. His friend W.P.K. drove  
6 him to the hospital to be treated. E.R. didn't see who shot  
7 him.

8 Multiple people sent videos they found on various social  
9 media accounts to the police department that showed subjects  
10 shooting into the air as well as at people in the parking lot.  
11 A review of the videos showed a heavy set white male in his  
12 20's, with long brown hair in a bun, beard and wearing khaki  
13 colored Carhartt type pants, white shirt and a black sweatshirt  
14 with a yellow logo on the chest area standing next to a silver  
15 Jeep Cherokee. The white male can be seen holding a handgun in  
16 each hand as he walked around near the Jeep. There was a black  
17 male near the front of the Jeep wearing red/purplish pants and  
18 a black jacket that was also armed with a handgun. In the middle  
19 of the roadway approximately 15-20 feet away from the white  
20 male, was a light skinned black male wearing a camo green  
21 sweatshirt and black Adidas sweatpants, who was also armed with  
22 a handgun. The white male used the handgun in his left hand to  
23 fire into the air 6 times, the black male in the camo sweatshirt  
24 then fired his handgun into the air and the black male wearing  
25 red/purplish pants fired his handgun into the air. The white  
26 male then raised his right hand, pointed his handgun in the  
27 direction of the male in the camo sweatshirt and fired his  
28 handgun one time. The male in the camo sweatshirt began to move  
29 northbound to move away when the white male fired another round  
30 in the direction of the black male as he walked away. There

1 were numerous people standing around the area when the white  
2 male fired his handguns. Videos also showed multiple vehicles  
3 stopped in the parking lot in the direct line of fire, where  
4 the white male was firing his handgun.

5 One of the cars in the direct line of fire belonged to  
6 W.P.K. He said that he was at the car meet with his friends  
7 including E.R. A fight broke out and they decided to leave. He  
8 was trying to leave in his car when he got stopped for traffic  
9 waiting to turn from aisle two in the eastside of the parking  
10 lot to go out to the main roadway. While stopped he saw the  
11 white male in the black sweatshirt with a yellow logo fire a  
12 handgun into the air and then fire in the direction of his car.  
13 W.P.K. said that the white male also fired at the black male in  
14 the camo sweatshirt. W.P.K viewed an aerial map of the parking  
15 lot as well as photos taken from the videos provided to the  
16 police. He identified his vehicle multiple times in the photos,  
17 which confirmed his vehicle was in the direct line of fire from  
18 the white male's handgun. W.P.K. said that he made a left turn  
19 to get away from the shooting and didn't realize that E.R. had  
20 been shot until E.R. told him he was hit about 20 seconds after  
21 driving away. The bullet entered W.P.K.'s open driver's window,  
22 went through the driver's headrest and struck E.R., who was in  
23 the backseat right behind W.P.K.

24 I received an anonymous tip that Jacob Little was the  
25 shooter and that he was recently arrested for stealing a rifle  
26 out of a Seattle Police patrol car. I contacted Seattle PD Det.  
27 Magan to learn more about Little being arrested. Det. Magan  
28 confirmed that Little was arrested for stealing a SPD rifle  
29 from a patrol car during the riots and booked into the Federal  
30 Detention Facility on 09/04/20. Det. O'Rourke and I reviewed a

1 Department of Licensing photo of Little, compared it to the  
2 social media videos provided to the police and positively  
3 identified Little as the white male in the khaki Carhartt type  
4 pants and black sweatshirt with the yellow logo on the chest.

5 Named witnesses on scene the night of the shooting also  
6 positively identified Little as the white male in the khaki  
7 Carhartt type pants and black sweatshirt with the yellow logo  
8 on the chest, who fired a handgun into the air and in the  
9 direction of E.R.

10 Little committed assault in the second degree when he fired  
11 at the male in the camo sweatshirt and recklessly shot E.R.  
12 instead.

13  
14 Under penalty of perjury under the laws of the State of  
15 Washington, I certify that the forgoing is true and correct.
